

ATTORNEY EUGENE FITZ-RITSON

Eugene Fitz-Ritson draws from his years of involvement with voluntary membership organizations beginning in 1964, as Co-founder, Secretary, and later, President of the Microbiology Department Staff Club at the University of the West Indies, Mona, Jamaica. From there he went on to serve as Vice President of the Hans Crescent International Student Council in London, England (1969-1970).

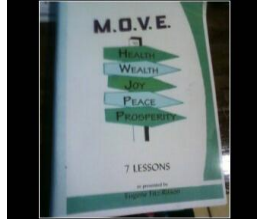

After completing the Bar examinations in England, Eugene Fitz-Ritson returned to Jamaica and joined the St. Andrew Jaycees in 1971. In 1974 he received a Diploma in Leadership in Action sponsored by Jaycees International. The following year he served as a Deputy Director for Administration and Finance, and Secretary General for the Jaycees International Western Hemisphere Area Conference, held in Kingston Jamaica.

Eugene humbly expresses his gratitude to the past leaders of Jaycees of Jamaica who allowed him the opportunity to serve as State Legal Counsel and Parliamentarian for three years (mid 1975-1978).

His involvement as a Director and Secretary of the Florida Association of Caribbean Businessmen, Inc., a past member of a Church Board in Miami, Florida and his admission to the Florida Bar, smoothed out many rough edges that remained uncut.

Eugene provides encouragement to anyone who aspires to become an effective leader in a voluntary membership organization or wants to use project management and self motivation for personal development.

He is the author of "M.O.V.E" (Motivated, Optimistic, Victorious, Excited), a motivational book about the Seven Lessons to Health, Wealth, Joy, Peace and Prosperity.
